

These are the Judges of the 2021 Austrian Reining Futurity Event celebrates its 15th Anniversary

What a year for an anniversary: the Austrian Reining Futurity will take place for the 15th time this year!

In a time of pandemic-related imponderables, this event, which has been one of the top 25 reining shows in the world for years, should once again become a top-class show with the best conditions for horse and rider. That this is feasible even in Corona times, host and show manager Helmut Schulz already proved last year. So riders and owners are looking forward to the 15th Austrian Reining Futurity in Wiener Neustadt from August 17 to 21. Meanwhile the judges are fixed: Maik Bartmann (GER), Simon Friedle (AUT) Adam Heaton (GBR), Sylvia Katschker (AUT) and Enrico Righetti (ITA). More details will follow.

The Reining Futurity will start on August 17 with the Ancillary classes. From August 18 on, the Futurity classes for 3 and 4 year old horses are scheduled. The Austrian Futurity is open to all horses and will feature four levels each in Open and Non Pro. All classes are NRHA approved. In the Futurity classes, both 3 and 4 year old horses can be shown either double handed on snaffle bit or hackamore or single handed on bit. For the benefit of the Austrian Reining Futurity there will again be a stallion service auction with top-class stallions.
