

Austrian Reining Futurity 2022: Purse increased to \$100,000-added !

The Austrian Reining Futurity and NRHA Show 2022 in Wiener Neustadt is scheduled for August 17 to 20, 2022. The traditional show, which has been one of the top 25 reining events in the world for 16 years now, offers not only excellent conditions and its very special atmosphere, but also considerable cash and prizes. This time, host Helmut Schulz is going one better and increasing the prize money to a whopping \$100,000-added! "Despite Corona, the last two Austrian Futurities went well," said Helmut Schulz. "With the increase to \$100,000-added, we want to celebrate that - here's to everything continuing on a positive note. We are looking forward to the Futurity in 2022."

The Austrian Futurity for 3- and 4-year-olds, respectively, is open to all horses and will feature four levels each in Open and Non Pro. All classes are NRHA approved. In the Futurity classes, both 3 and 4 year old horses can be shown either double handed on Snaffle Bit or Hackamore or single handed on Bit. For the benefit of the Austrian Reining Futurity there will again be a stallion service auction with top-class stallions.

But not only the Futurity classes are very popular with the international reining community. Also the Ancillary classes are in demand, especially the well endowed Bronze Trophy Open and Non Pro.
